

## ART SHARES TRADING COMMENCED—MARCH 20, 2024

Trading of **Art Share 002 S.A. (ISIN: LU2583605592)**, owner of Francis Bacon's masterpiece, "Three Studies for Portrait of George Dyer," commenced on Friday, March 8th, following the successful completion of the initial offering. This marks a significant milestone in the landscape of art investment and the broader financial market.

Access to a new asset class was solidified as all trading members experienced optimal trading activity during the opening and closing auctions, with liquidity streaming throughout the day. After an initial offer price at EURO 92.20 the first full week of trading marked a close at EURO 101 an increase of 9.5%. ARTEX provides access to an asset class previously inaccessible, acting as an investment diversifier.
